

1-3 Grade Activity Guide

What you'll need

If you happen to have an inflatable globe (you get bonus points if you do) use that, otherwise grab any ball that you can pass around.

To Do

Say: When we choose to follow Jesus, it's our job to teach others how to follow Him, too. You can do that anywhere—near, far, here, or around the world!

1. Kids **pass** the inflatable globe (or ball) and **chant**, "Share Jesus, share Jesus, share Jesus at ..."
2. The kid who is holding the globe/ball at the end of the chant **names** a place where they can share Jesus.
3. **Repeat** the game until everyone has gotten a turn.

Say: Now, think of one person who needs to know Jesus. You can invite them to watch AdventureKids church online.

4. **Pray together** for the people your kids will invite.
5. **If time allows, play** the game again.
