

1-3 Grade Activity Guide

What you'll need

A pen (or pencil), paper and flashlight (or anything that will shine) for each family member.

To Do

Say: Your actions and choices can help people learn about Jesus. They shine a light on what Jesus is like!

1. Give each family member a pen (or pencil), a piece of paper and a flashlight (or anything that will shine).
2. Each member draws a picture of Jesus, a heart, or a cross.
3. Read one action off of the activity supplement.
4. If the action shines a light on what Jesus is like, each member shines their light on their Jesus picture.
5. If it doesn't shine a light on what Jesus is like, the family members give a thumbs down.

After the activity ask:

1. **When did the actions shine a light on Jesus?** When they were loving and living like Jesus
2. **When did the actions not shine a light on Jesus?** When they weren't loving and living like Jesus
