

1-3 Grade Activity Guide

What you'll need

- 1 piece of paper for each family member
- Markers, crayons, pens, or pencils

To Do

1. Hand out a piece of paper to each family member
2. Members to fold the paper in half to make a card.
3. **Say:** "God wants us to share love to everyone we meet. Sometimes it is just giving something small as a smile, or helping give people things they need; even when it's hard. This craft is a chance to practice that! We'll make a card that shares the love of Jesus—but you can't keep it! Give it to someone in need—someone who needs to be shown God's love."
4. Everyone to make cards as desired.
5. Talk as a family about who they want to give their cards to.

After the activity ask:

1. **What are some other ways you can give to people?** *Answers will vary*
2. **Vintage Konnect Trivia: Who finished Konnect HQ after Dr. Emo died?**
Dr. Emo's lab assistant, Ralph
