## Verse 1

6            5                    4  
You're the God who parts the waters,  
6            5                    4  
Heals the broken and raised the dead  
6            5                    4  
If He did that long before us,  
6            5/7                    4  
Think of what He might do next  
6            5/7                    4  
Just think of what He might do next

## Chorus

          1/3    4    5                    6  
We will ask, seek, knock and we'll find  
          1/3                    4  
That our God will make a way  
          5                    6  
Our God will make a way  
          1/3    4    5                    6  
We will ask, seek, knock and we'll find  
          1/3                    4  
That our God will make a way  
          5  
Lord, come and have Your way

## Verse 2

6            5                    4  
I build my faith upon your promise,  
6            5                    4  
Though I might not understand  
6            5                    4  
All my hope is in you, Jesus  
6            5                    4  
Believing for what You'll do next  
6            5                    4  
I'm believing for what You'll do next
